Section A – Assignment of Copyright

We, the undersigned Authors, transfer ownership of our rights as authors to The Romanian Academy Publishing House in the event that our paper

Title:

.....

Author(s):

.....

is accepted for publication in the Romanian Journal of Information Science and Technology (ROMJIST), ISSN 1453-8245.

We, the undersigned Authors, assume the responsibility by signing the present Copyright Transfer Statement to provide the mentioned paper to The Romanian Academy Publishing House and to confer to The Romanian Academy Publishing House and ROMJIST an immutable exclusive license to publish the paper in both electronic and print format, and further sublicense the mentioned paper in its original language everywhere in the world.

The Romanian Academy Publishing House and ROMJIST shall be designated to use the right of repository of the paper, its registration on a computer or on any electronic data medium, the right to print, publish, copy, disseminate and market the paper in optional form of printing and on any on-line and off-line data medium.

Section B – Warranties, disclosure of conflicts of interest and other commitments of the Author(s)

We, the undersigned Authors, hereby declare and guarantee the following:

- We are the exclusive authors of the paper and we have not granted any (non)-exclusive right to the paper to any third party prior to the execution of the present Copyright Transfer Statement;
- The paper we have submitted to the journal for review is original, is our intellectual product, has been written by the stated authors and has not been published elsewhere in any form;
- The paper is not currently considered for publication by any other journal and will not be submitted for such review and does not infringe any existing copyright or any other third party rights while under review by this journal;
- The publication of this paper in its current form is approved by all undersigned (co)authors and tacitly or explicitly by the responsible authorities where the work was carried out and no modification of the authorship will be made afterwards;
- We have understood that reproduction or redundant publication of the paper either in print copy or electronically, such as on the Internet, is not permitted. No content published by ROMJIST (either in print or electronically) may be stored or presented on another private site, organization's site, or displayed or reproduced by any other means. However, we may include a link on our own web sites to the official web site of this journal with your permission, but we or the institutions we are currently affiliated to, may not host any previously published material by ROMJIST on any other website. We shall accept to indicate the exact location where our accepted paper was published in ROMJIST;
- The paper contains no libelous, obscene or other unlawful statements and does not contain any materials that violate any copyrights or the personal or proprietary rights of any other person, entity or a third party;
- We are committed not to be involved in any potential conflict of interest associated with ROMJIST or with our contribution to the journal;
- We have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in our paper accordingly;
- We also understand that, for the exclusive transfer of the author's rights, no royalty (or any other fee) shall be claimed if our above-mentioned paper is accepted for publication.

General Data Protection Regulation

In the event of acceptance for publication, we, the undersigned, do grant permission free of charge to The Romanian Academy Publishing House to make our paper freely available on line, on the ROMJIST journal website (<https://www.romjist.ro/>). By consenting to this privacy notice we give the permission to the above mentioned journal to process our personal data specifically for the purpose of publishing and disseminating/distributing our joint paper through third party providers such as international scientific databases and portals. This permission includes, without limitation, the right to publish the work in whole or in part in any and all media now known or later developed.
